

Pitchford Hall visit, May 2018

The Society outing to Pitchford Hall near Shrewsbury on Saturday, 19th May was very successful. 41 of us thoroughly enjoyed the beautiful weather, the excellent lunch at the Riverside Inn, Cound and the fascinating 16th century half-timbered Hall. Rowena Colthurst, who now owns the Hall and, with her husband, is working to restore the house as a family home, was one of our guides.
