

Senior School's Literary Competition for Young Writers

Dear Student,

You are warmly invited to enter this competition for young writers

There are Cash Prizes, one of £50 and several others of lesser amounts

We would ask you to choose a book or poem you enjoyed reading, either recently, or a while ago.

Then write 500 words or less about the book or poem you have chosen.

Sometimes it's hard to get started so you might like to think about:

- ? What made this book special for you?
- ? Has the language been used in an interesting way?
- ? Were there any characters in the book that were inspiring or that you identified with?
- ? Has this book made you think or see things in a different way?

INSTRUCTIONS

The Closing Date is April 20th, 2018

500 Words only

- ? Please use A4 paper and type or write on **ONE** side of the paper only
- ? Please make sure that your **Name, Age, Class Year and School** are on the back of your entry and that the sheets are joined together. It will be collected from the Office at your school.
